

# **A Cursed Dragon**

**In the centre of the class**

**Sits a steel blue dragon.**

**With gleaming yellow eyes**

**Always staring at you.**

**Glistening dark purple wings**

**And Razor sharp teeth.**

**The claws as gold as the sun**

**And a solid gold mane**

**To show it is the strongest dragon around.**

**It's on the verge of obliterating a fortress on  
the top of a mountain.**
