

Windy Ridge School,
July, 2017

Dear Parents/Caregivers,

This year we will again be providing the opportunity for the Year 4 children to participate in a series of Hip Hop dance lessons with 'Dancing with the Stars' instructors Kristie Williams or Krystal Stuart. This is the second time we have been able to offer dance sessions to our year 4 children. They proved to be very popular last year so we would like to make this a regular event each year. It provides the children with a good knowledge and enjoyment of dance moves which is a great introduction to Ballroom Dance which they will continue in year 5 and 6. We expect all children to participate in these lessons unless there is a valid reason for them not to, in which case you will need to discuss this with the classroom teacher.

The lessons will take place for an hour lesson each Tuesday afternoon from 1:40pm – 2:40pm for six lessons in Term 3 beginning on Week 2, Tuesday 1st of August and will conclude with the children presenting the dances they have learnt in the final session which you are welcome to come and watch.

The cost for the **six lessons is \$20.00** per student which is excellent value for this type of instruction compared to the cost of dance lessons out of school.

This will need to be paid by cash to the office or online through Kindo by Wednesday 26th of July (sooner if possible so that we are able to confirm our booking.)

Please complete the form below and return it to the school office by the above date.

Kind regards,

Inge Millard

Jane Brown, Bernie Mahoney, Amanda Hurley, Melody Harries

I have enclosed \$20.00 to the office / Kindo / as payment for my child

Name: ----- in Room ----- to attend the
Year 4 Hip Hop dance lessons.
