EDUCATION OUTSIDE THE CLASSROOM - TAWHARANUI

Dear Parents/Caregivers - Y6 (includes some Y5) children

As was mentioned in the letter sent home at the end of last year, our Outdoor Education Programme for the Year 5 & 6 children is planned for the 21st and 22nd of March and includes an overnight stay at Tawharanui.

The cost required for the 2 days is \$150.00 (inclusive of dinner, breakfast, all activities with qualified instructors, a visit to the Reptile park and transport), which is now due for payment. We would appreciate this payment as soon as possible, but **NO LATER THAN MONDAY 12th OF MARCH.**

We are looking forward to a busy, fun-filled two days, as well as the children experiencing challenging and motivating activities outside the classroom. Education Outside the Classroom is a compulsory part of the school curriculum so every child is expected to take part. **If there are any issues concerning the participation of your child in this programme, you need to contact the school immediately.**

Payment can be made to the school office or by Kindo. Please deduct the \$20.00 deposit from your payment if you have paid this already.

Please complete the slip below and return it to the office.

Notices will be sent home soon outlining the programme and requesting parent help, however we only have a limited number of spaces due to parent student ratios set by the Zoo education programme. You will also receive a health and safety form to complete at a later date.

Kind regards,

Inge Millard, Jane Brown, Amanda Hurley, Heidi Fegan
