

Kelly Tarltons - Friday 18th August 2017

Dear Parents and Whanau

As part of our learning experiences Team Falcon will be visiting Kelly Tarltons on Friday 18th August 2017. Kelly Tarltons will offer our children a rich opportunity to explore our oceans and we will also have a lesson on conservation of our oceans called "Better Seas, Brighter future". It will uncover the threats to our environment and what we can all do to help.

Your child will need comfortable clothing and footwear to help them participate in the activities planned for the day. Your child will also need a packed healthy lunch, morning tea and plenty of water for the day.

We will be leaving school at 9.15 am and returning to school by 2.45 pm. The cost per child is \$20.

We do require parents to actively assist us on the trip. This will require the parent to manage the behaviour of their group as well as help teach the children about different sea life from the information given. Unfortunately, we cannot accommodate younger siblings. Please indicate on the form below if you are able to help, we will advise all parents if they are required or not.

Please fill in the permission slip below and return to the office. Please include any health information we need to be mindful of during our day out of school. (ie asthma, allergies, anxiety with new situations)
We are looking forward to an active and exciting trip.

Thank you for your support.
Team Falcon Teachers

Kelly Tarltons- Friday 18th August 2017

- I give permission for my child _____ of Room _____ to attend the trip to Kelly Tarltons and participate in all activities.

Parent name _____

Signature _____
