

Kaipātiki Kāhui Ako

Dear Parents / Caregivers / Community members

It has been a very busy term behind the scenes getting the Kaipātiki Kāhui Ako structures and processes in place to begin the implementation phase of our community collaboration. A huge thank you to all staff across the Kāhui Ako for your work and support.

Kāhui Ako Leadership

Across School Leaders:

The Kaipātiki Kāhui Ako appointments panel is pleased to announce the appointment of two Across School Leaders (ASL). Congratulations to Daisy Macgregor (Target Road Primary School) and Kristina Smith (Glenfield College). The ASL role means that Daisy and Kristina will spend time in all schools and ECE centres within the Kāhui Ako. Here is a brief introduction from Daisy and Kristina.

Daisy Macgregor

Kia ora, my name is Daisy and I am a year one teacher and team leader at Target Road School. I have a passion for encouraging students to have agency over their learning from a young age and transitioning students effectively between Early Childhood Centres and Primary School. I am very much looking forward to meeting and working alongside the Kaipātiki Community of Learning to achieve our shared goals.

Kristina Smith

As a former student of Glenfield Intermediate School and Glenfield College, the success of students in the greater Glenfield area resonates loudly with me. I am excited about the Kaipātiki Kāhui Ako and my new role in this wonderful community. I have over 15 years experience in education both in New Zealand and England, as a specialist teacher in Mathematics, Physical Education and Health and as a dean, and as an Assistant Head of a Mathematics department. Outside of the classroom you'll find me at the netball courts in my other role as a representative coach for North Harbour. I hope to inspire and unite colleagues throughout all schools in the Kaipātiki Kāhui Ako and I am looking forward to meeting and working with everyone.

If you have any questions relating to our Kāhui Ako, your first point of contact is the principal of the school where your child attends.

Mark Whitford
Kaipātiki Kāhui Ako Lead Principal
Glenfield Intermediate School
