

Team Tui Year 5 and 6 Education Outside The Classroom Term Four

Wednesday 20 September 2017

Dear Parents/Caregivers

In week 3 of Term 4, we have planned for our year 5 and 6 students to participate in a two day E.O.T.C programme. Day one will be activities at the Birkenhead Leisure Centre and day two will be activities at Lake Pupuke. Below are the dates and an outline of the programme.

Thursday 2nd November - Birkenhead Leisure Centre: high ropes, rock climbing and archery

Friday 3rd November - Lake Pupuke: kayaking, orienteering and raft building

E.O.T.C is an integral part of the student's learning in the area of Health and Physical Education. As such, all year 5 and 6 students are expected to participate. There are many benefits that come from E.O.T.C as the students engage in challenging independent and group activities. It is an immensely enjoyable programme and supports a positive end to the school year.

The cost for the programme including the bus is \$80. Payment can be made in instalments and can be paid directly to the office or by the Kindo online shop. We will require parent help, so please indicate on the attached return slip if you are able to assist on any of the days.

Thank you

Regards

Jane Brown, Amanda Hurley, Bernie Mahoney
