

SCHOOL DONATION - 2018

Dear Parents/Caregivers

The Board of Trustees asks families to pay a yearly donation to the school which helps us to provide all sorts of equipment and resources for the school and the children. Although the Government does fund the school, that money is designed to cover the essential running costs and not all the high quality learning resources we want to provide for your children to use.

The donation for one child is set at \$140.00 per year and if there are two or more children at the school the donation is set at \$220.00. **There is a \$20 discount on the above amounts if this donation is paid before the end of the first term i.e. 13th April 2018.**

We really appreciate any donations that are paid to the school, as this is not a compulsory requirement. (It is also possible to pay in installments if that is what you prefer e.g. \$35 per term.) You will receive a receipt which is tax deductible.

If you have any queries regarding school donations please contact the Principal or any member of the Board of Trustees.

THANK YOU
