

26 September 2018

Dear Parents, Caregivers and Whanau

There is an opportunity for us to send a year 5/6 mixed team to a softball tournament in Silverdale on Thursday October 18th., and a year 3/4 team in November (TBC). Chopper one of our parents will be coaching and leading the team. There will not be a staff member present, however the children will represent Windy Ridge School. We will need 1 or 2 parent volunteers to drive the children to the tournament on the day and stay to help.

Chopper has held two taster sessions at school, so children should now have an idea if they are interested.

Kind Regards

Sarah Turner
