Team Falcon Flax Trip - Wednesday 14 November 2018

Dear Parents and Whanau,

As we have been learning about our environment, we would like to finish off the year with an adventure to Harakeke Reserve in the Eskdale Bush. Children will be having a lesson about flax and then create their own flax item to take home. We will be walking from school down Brunton Place and through the bush to get there and will spend about half an hour either on the way there or the way back exploring the ecosystem of the Reserve.

Children will need a RAINCOAT to sit on and/or wear as we will be going as long as the weather behaves itself. If it is raining heavily then the lesson will be conducted at school.

Students will also need covered shoes, a packed lunch and a water bottle as they will all be having either morning tea or lunch down there.

If you are in Room 9, please ensure you are at school at 8.50 as we will be leaving as soon as the roll is called.

Room	Parents arrival	Leave school	Flax lesson	Back at school
9	8:40	8:50	9:30-10:30	12:00
10	9:30	9:40	10:45-11:45	12:15
11	10.40	10.50	12:00-1:00	1:30
12	12:00	12:10	1:15-2:15	2:45

We will need three parents per class to help supervise the students and interact with them as they explore the bush environment. Parents who are familiar with bush fauna and flora would be appreciated. Please fill out the form below if you are able to help. As always, we are unable to accommodate preschoolers on this trip. You must be at school at least 10 minutes before your class leaves and expect at least 40 minutes for the return bush walk.

This outing will cost each child \$4.00
Please return this form and money asap
