

Kia Ora

We are delighted to announce that we will be offering sKids Out of School Care to your children from 4th February 2019. The programme will be known as sKids Windy Ridge. sKids consider it a great privilege to support you as parents/caregivers and are committed to providing your Tamariki with opportunities to feel awesome about who they are! There will be some changes, but we would like to assure parents that our key objectives are to ensure the children are safe in our care and have heaps of fun.

We are also dedicated to giving back to our community. Recently we picked up the top award for 'Community Involvement' at the Westpac New Zealand Franchise Awards 🏆🏆 This was in recognition for the work sKids (Safe Kids In Daily Supervision) has done with Child Cancer Foundation (the Big Hoot Auckland 2018) and our FoodStorm Cooking programme. Now in its 3rd year of operation, and thanks to our new collaboration with [Nestlé](#) NZ we are currently running FoodStorm in over 60 sKids centres across NZ. This means more kids than ever before are learning to cook! 🍳👩🍳

Staffing

Our staff team s key to ensuring your children are safe and have fun whilst in our care. Staff are fully police vetted and trained in First Aid, child Protection, Behaviour Guidance, Food Safety, and Health and Safety. If we take the children swimming, staff also do Pool Safety courses.

Activity Programmes

Our programmes offer a variety of activities pitched at different age levels. We also have 'speciality' activities such as FoodStorm, a healthy cooking programme, and Jellybeans, our music programme. Some new programmes to be introduced next year include 'sKids Fit' children's fitness, and Robotics and Coding programmes.

Food

Our food menus have been designed by the great team at the Heart Foundation – Fuelled 4 Life, and will have a variety of healthy options.

MSD Approval and OSCAR Subsidies

Since we are applying for the Ministry of Social Development OSCAR Approval, Work and income subsidies will be available for eligible parents/caregivers to assist with fees. There may be a delay with subsidy payments to begin with depending on the workload at MSD and availability of their assessors, but please be assured when these come through, they will be backdated.
