

Dear Parents/Guardians

This year we will be entering into the North Harbour Basketball competition. This decision is being made after consultation with parents as well as the Junior Breakers league raising their prices for this 2019 year. The venue will now be at the North Shore Event Centre on Tuesdays. Year 2-3 games will be between 3:30-5:00 pm. Year 4 games between 5:00-6:30. Year 5-6 games between 4:00-8:00 pm.

There are teams for years 2-6. Teams will be entered into a grade based on experience of the child. Fees will be determined once we have all of our children enrolled. We estimate it will cost around \$95 per semester. There will be 13 games per semester.

Mouth guards are mandatory for the North Harbour Basketball league. Each team will also require a parent coach. It is not essential to have a practice during the week, however should you choose to meet with your team we can organise space and equipment for you. The role of the coach will be to support the players on the court, run subs, and ensure the children have a positive experience.

Please return the below slip by **February 18th**; including your child's name, year, room number and experience, as well as an indication if you are available to coach your child's team. Please advise each team must have a coach in order to be entered into the competition.

Please feel free to email me should you have any questions.

Regards,
Sarah Turner
