EDUCATION OUTSIDE THE CLASSROOM: TIRITIRI MATANGI / LONG BAY

Dear Parents/Caregivers

As was mentioned in the letter sent home at the end of last year, our Outdoor Education Programme for the Team Tui children is planned for Wednesday 13th of March and Thursday 14th March to TiriTiri Matangi Island then Tuesday 19th of March and Wednesday 20th of March to Long Bay. The children will attend an education session during both visits. As both these venues can only take limited students in a day the Team Tui students will be divided into 2 groups by the Tui Team teachers for their visits and they will stay in that group for both visits. **The cost required for the 2 days is \$60.00 (inclusive of transport), which is now due for payment. We would appreciate this payment as soon as possible, but NO LATER THAN FRIDAY 15th OF MARCH.**

We are looking forward to a busy, fun-filled two days, as well as the children experiencing challenging and motivating activities outside the classroom. Education Outside the Classroom is a compulsory part of the school curriculum so every child is expected to take part. **If there are any issues concerning the participation of your child in this programme, you need to contact the school immediately.** Payment can be made to the school office(cash or eftpos) or by Kindo. Please deduct the \$20.00 deposit from your payment if you have paid this already, Please complete the slip below and return it to the office.

A notice will be sent home soon outlining the programme and requesting parent help, however we will only have a limited number of spaces due to strict parent student ratios set by the EOTC programme Educators.

You will also receive and health and safety form to complete at a later date.

Kind regards,

Inge Millard, Jane Brown, Amanda Hurley & Heidi Fegan
