

# Falcon Team Passion Day

Dear Parents

Our EOTC activities will be on site this term as we already have our year 3's going to swimming lessons each week.

We are going to be holding a **Passion Day on April 5th**. The aim of this day is to provide students with an opportunity to further explore some of their passions and interests, or to inspire new passions and interests.

To make this day a success we would love for you, our whanau and community to come along and share your passions and interests with our children on that day. We would like to provide about 10 different options for 40 minutes each. Each option would run 4 or 5 times throughout the day.

If you have a special activity would you please indicate on our form. Anything from storytelling, crafts, sports, music, dance, cooking etc would be a wonderful addition to our day. If you would like to help but are struggling to think of an idea, please approach your child's whanau teacher to help you. If your activity will require materials, please let us know so we can collect those resources for you.

There will be a small fee of \$2 to help subsidise costs for the day.
