

Life Education: February, 2019

Dear Parents/Caregivers,

The North Shore Life Education mobile classroom and 'Harold' the giraffe are visiting our school this term on Thursday 7th February until Friday 15th February, as part of our School Values based around Friendship, Relationships and Respect. We participate in this programme every two years.

The Life Education Trust is a health based education resource that aims to help children develop respect, understanding and appreciation of the human body and its complexities and help them learn about what good substances are needed for a healthy lifestyle. Life Education provides opportunities for children to realise their uniqueness, develop self-esteem and respect for others.

The Life Education Trust covers as much of the costs as possible; however, there is still a need to place a small charge to students to enable the Trust to continue to meet the needs of the communities they serve.

The cost is \$7.00 per child. We would appreciate you sending this money and permission slip to the school office or Kindo. The cost covers the two sessions each child will attend.

Kind regards,
Inge Millard (Deputy Principal)
