

4th February

Dear Parents/Caregivers,

Children who were in Team Pukeko last year will be attending swimming lessons at Glenfield Leisure Centre Swim School for **9 weeks in Term 1** this is to make up for the lessons that were cancelled. Although some of the children are in different classes this year they will still be able to attend the lessons with children from their team. The **lessons will start on Thursday 14th of February** in the second week of the term. Each class will attend a 30 minute session each week between 12:00 – 2:00pm. Each child will be assessed and grouped according to their ability and confidence in the water. The lessons will provide swimming skills, water survival and safety skills and will be taken by qualified swimming instructors.

The children will need to bring a named swimming bag containing togs (swimming costume), goggles and swimming cap (optional) and a towel to each lesson. The cost of the 9 weeks is **\$80.00 per child**. This includes the cost of the lessons and the bus transport to and from the venue. **The money needs to be paid in cash to the school office or online through Kindo as soon as possible and before the first lessons commence.**

As swimming is a part of the N.Z curriculum it is important for all the children to participate in this programme. Please complete the form below and return it to the school office.

If your child already attends a swimming programme please advise us of the level they are at so they can be extended.

Thank you for supporting our swimming programme.

Kind regards,
Inge Millard & Team Pukeko & Falcon teachers
