

Team Tui EOTC Trip - Parent Help

We will require some parent help to supervise a group of students during the trips. The Tiritiri Matangi Island trip does require a certain level of fitness as we will be walking to the top of the island. Also be aware of the early start and late finishing times for this day. The Long Bay visit is within school hours.

We are limited to the number of parent help we can take on each trip due to adult/student ratios set by the providers which also includes the teachers.

We would love to have you come on these trips with us but please do not worry if you are not selected this time as there will be other opportunities during the year for you to join us.

Please indicate below and send the slip to the office if you are interested in coming, and on which trip. We will let you know if you are coming with us as soon as possible and the day and date we will need you depending on the group your child is with.

Kind regards,

Inge Millard, Jane Brown, Amanda Hurley, Heidi Fegan

I would like the opportunity to attend a visit to help with supervision of a group of students and am prepared to help and participate in any activities when needed.
