

27 March 2019

Dear Parents, Caregivers and Whanau

**Rippa Rugby Tournaments: Thursday 6th June, Thursday 1 August, Thursday 12th September**

Save day's (in case of cancellation) – Tuesday 11th June, Tuesday 6th August, Tuesday 17th September

The Rippa Rugby Tournament is open to girls and boys in years 3-6. Depending on the number of players we get, we can enter a girls teams, boys teams or mixed teams.

As per Windy Ridge Sports, we do require parents to be involved either in helping to run a few practices during lunch or after school, and also helping with children and teams on the day. IF you are able to assist, in any way please indicate on the return slip.

All students need to complete and return the attached form and return it to school **before** the first tournament. Without this form they will not be able to participate in the tournament. There will also be a separate registration form to fill out for Harbour Rugby, these will come home at the start of Term 2.

Can you also indicate whether you are able to assist with transportation to the Glenfield Rugby Club beside Glenfield College. If your child needs a booster seat, please ensure you bring this on all tournament days.

Looking forward to receiving all of the forms, offers for transportation and of course offers for coach/manager for the tournament day.

Each child will require a mouthguard. The tournament organisers are very strict about this.

Kind Regards  
Sarah Turner
