

Dear Parents/Guardians

We are collecting interest for basketball teams for semester two for 2019. The first game will be on August 6th. The venue is at the North Shore Event Centre on Tuesdays. There are teams for years 2-6. Year 2-3 games will be between 3:30-5:00 pm. Year 4 games between 5:00-6:30. Year 5-6 games between 4:00-8:00 pm.

Teams will be entered into a grade based on experience of the child. Fees will be determined once we have all of our children enrolled. We estimate it will cost around \$95 per semester. There will be 13 games per semester.

Mouth guards are mandatory for the North Harbour Basketball league. Each team will also require a parent coach. It is not essential to have a practice during the week, however should you choose to meet with your team we can organise space and equipment for you. The role of the coach will be to support the players on the court, run subs, and ensure the children have a positive experience.

Please return the below slip by **June 28th**; including your child's name, year, room number and experience, as well as an indication if you are available to coach your child's team. Please advise each team must have a coach in order to be entered into the competition.

Please feel free to email me should you have any questions.

Regards,
Sarah Turner
