

Windy Ridge School,
June, 2019

Dear Parents/Caregivers,

We will be providing the opportunity for the Year 5 and 6 children to participate in a series of dance lessons with 'Dancing with the Stars' instructor Jonny Williams. These sessions prove extremely popular each year, with children gaining a good knowledge and enjoyment of the dance moves. The children will be learning movement and specific dance skills in Latin, Cha Cha and Samba plus fun dances such as Barn dance and Bus Stop.

We expect all children to participate in these lessons unless there is a valid reason for them not to, in which case you will need to discuss this with the classroom teacher.

The lessons will take place every Thursday afternoon for 1 hour from 1:40pm – 2:40pm for six lessons in Term 3 beginning in Week 2, Thursday 1st of August and will conclude with the children presenting the dances they have learnt in the final session which you are welcome to come and watch.

The cost for the **six lessons is \$15.00** per student which is excellent value for this type of instruction compared to the cost of dance lessons out of school.

This will need to be paid by cash to the office or online through Kindo by Wednesday 24th of July (sooner if possible so that we are able to confirm our booking.)

Please complete the form below and return it to the school office by the above date.

Kind regards,

Inge Millard
