

Touch Rugby Registration

12th August 2019

Dear Parents/Guardians

We are collecting interest for Touch Rugby Teams for Term 4 for 2019. The first game will be on October 13th. The venue is at Kaipatiki Park on Wednesdays. There are teams for years 1-6. Games will be played at 4:00, 4:30, 5:00, and 5:30 pm. Fees will be determined once we have all of our children enrolled. We estimate it will cost around \$40 for the term. There will be 8 games for the season. Children will play in bare feet, and mouthguards are not required by the organisers.

Each team will also require a parent coach. It is not essential to have a practice during the week, however should you choose to meet with your team we can organise space and equipment for you. The role of the coach will be to support the players on the court, run subs, and ensure the children have a positive experience.

Please return the below slip by **August 30th**; including your child's name, year, room number, as well as an indication if you are available to coach your child's team. Please advise each team must have a coach in order to be entered into the competition.

Please feel free to email me should you have any questions.

Regards,

Sarah Turner
