

Team Tui Year 5 and 6 Education Outside The Classroom Term Four

Thursday 26th September 2019

Dear Parents/Caregivers

In Term 4, Week 8 we have planned for our year 5 and 6 students to participate in a two day programme with Birkenhead Leisure Centre as part of our end of year E.O.T.C experience. This outdoor programme consists of two days;

Day one is activities at the Birkenhead Leisure Centre and day two is activities at Lake Pupuke. Below are the dates and an outline of the programme.

Thursday 5th December - Birkenhead Leisure Centre: high ropes, team building and archery

Friday 6th December - Lake Pupuke: kayaking, orienteering and raft building

E.O.T.C is an integral part of the student's learning in the area of Health and Physical Education and it provides an opportunity for our students to engage in fun and challenging activities in a safely monitored environment. It is an immensely enjoyable programme and supports a positive end to the school year.

The cost for the programme including the bus is \$90. Payment can be made in instalments and can be paid directly to the office or by the Kindo online shop. We will require parent help, so please indicate on the attached return slip if you are able to assist on any of the days.

Thank you

Regards

Jane Brown, Heidi Fegan, Sally Kim
