

## Education Outside the classroom - BIGFOOT Adventures

Wednesday 25 November 2020

Dear Parents and Whanau,

The Falcon Team will be having the organisation BigFoot Adventures come to the school on Wednesday 25 November to be facilitating a fun day of Top Team activities for our Year 3 and 4 students with the objectives of Team Building and Confidence. In this fast-paced day, the children will work together as they rotate around our collection of engaging and challenging activities, competing for points as they go.

We do require parents to actively assist us with the event. Unfortunately, we cannot accommodate younger siblings. Please indicate on the form below if you are able to help and we will be in contact with you. We will need at least 10 parents for the whole day but because this is at school we can have more.

There is no cost for your child to attend this trip.

Please pack a **raincoat/jacket and wear appropriate clothes for outdoor activities.**

Please fill in the permission slip below and return to the office.

Thank you for your support,  
Falcon Team Teachers
