

Windy Ridge School – Kura Hiwihau Strategic Plan for 2021

“Every learner explores their passions and potential through an experiential learning approach”

Through integrated learning, effective assessment and targeted feedback, and authentic use of student-centered pedagogies we will promote high achievement and student engagement in all areas of the curriculum while continuing to improve students' literacy and numeracy skills so they are achieving at expected curriculum levels.

Through targeted, quality professional learning and growth opportunities, we will improve staff skill, knowledge and leadership in order to improve student outcomes

Through quality partnerships with and beyond the school we will ensure that we are meeting the expectation and desires of our community in delivering a quality education for their children.

Through the development of a school culture of kindness and respect, we will ensure that all members of our community feel safe, happy and empowered
